

Staff Returning to the Site or Forgot Your Password

Your password has expired (every 6 months).

- If you enter the old one “[click here to create a new password](#)” prompt will appear, or
 - Click on “[I forgot my password.](#)”

Need Your Password:

Passwords are case-sensitive. Be sure to enter your password exactly, making certain to enter upper and lower case letters accurately. **Passwords must contain a minimum of eight characters, one capital letter, and one number.**

The screenshot shows a login form with the following elements:

- Header: Login
- Username (Email Address):
- Password:
- Login button (dark blue)
- [I forgot my password](#) (blue text, circled in red)
- [I forgot my username](#) (blue text)
- [I need to create an account](#) (dark blue button)
- [Help with your account?](#) (blue text)

A red box highlights the login fields and buttons. A red oval highlights the "I forgot my password" link. A purple arrow points from the text above to the oval.
